September Spotlight

Olivia Morris: Stuy Legacy (Artistic Director)

Olivia's passion for dance began when she was four years old, eventually inspiring her to join Stuy Legacy! Now serving as the artistic director, she takes on responsibilities such as choreographing routines, coordinating with professional trainers, and mentoring newer members. Her favorite thing about Legacy is the stressful yet exciting experience of competing against other teams. To Olivia, Legacy represents a collaborative environment where enjoyment and teamwork come together to complete the team.

September Fun & Food/ September Spots
